Heavy duty enclosure

RBH ENCL4/ENCL4-PS

Robust enclosure with great features
with ample space for different devices and great ease of installation

RBH ENCL4 / ENCL4-PS

This robust metal enclosure is ideal for electronic security systems, offering a removable 180° swing door, secure key lock, and multiple entry points for easy wiring.

It supports various devices and configurations, including adapter plates and PS-1224. Designed for demanding environments, it ensures protection, ventilation, and convenient access for maintenance and installation.
